

Cambridge Seminars College Complaints Procedure

Cambridge Seminars College prides itself on the quality of the teaching, accommodation and pastoral care.

This quality is monitored through questionnaires throughout the course, through regular tutorials, and an open door policy. We take a proactive approach to ensuring students are happy in their accommodation and with their tuition.

Any issues arising from these are identified and a resolution sought by the management team. Parents, agents and sponsors are informed of any problems as early as possible in the hope of a swift resolution or ongoing support.

However, if students, agents, sponsors or parents are still unhappy, all issues will be treated seriously. The procedure for making and resolving complaints is displayed throughout the college in simplified form.

Once a complaint has reached the level of a written complaint to the Principal, a written record is kept on file, noting the details of the complaint and the eventual resolution.

Throughout the procedure, students who have booked through an agent are encouraged to contact the agent if they wish to do so. It is CSC policy to inform agents of issues upon reaching stage 2 of the complaints procedure, in the hope of reaching a swift and amicable resolution.

This policy is available on the college website and a paper copy is available in college upon request.
